Dear Friends,

Many thanks for the use once again of the beautiful Community Centre for our Model Railway Meeting last Saturday, which proved a huge and most enjoyable success.

As usual the arrangements were 100%, and a large number of our visitors commented most favourably on the Hall and its facilities. They are all looking forward now, as I do, to our *next* year's event for which we have already made a firm booking with you for Saturday 30th October 2010. Our 2010 requirements are identical to those of this year: Main Hall, Houghton Room and Kitchen all from 8am to 6pm.

I enclose my cheque for £498.25 in full payment for last Saturday's show.

Many thanks for your valued support, as always.

Most Sincerely,

Jack Nisbet
