Youth Club on the move...

Thanks to a great deal of hard work by the Youth Club leaders, plans for the 'new' building for the exclusive use of the Club are progressing very well.

The Portakabin is second hand but in good condition, moving into the building will mean the Youth Club's equipment can be kept in one place and members will have a space to call their own.

The building will be continue to be named in memory of Theresa Talman.

One day Ray – all this will be yours!

Members of the Youth Club had to make their own grant application to the Youth Capital Fund. They were so successful that there is sufficient money to pay for both the building and installation.

Ray Hughes is keen to open for extra evenings sessions during the week and the County Youth Service will also be using the building for outreach projects.

Community Support Partnership Lunch

More than 25 people met in the Woodford suite, to share experience and to receive advice from Sue Heath Caldwell of the Winchester Volunteer Bureau. The Partnership is working to help groups and individuals who care about, and for, others.

The statistics for Wickham and Shedfield parishes shows that from our population of 6,500 people, 1,070 (16.5%) have a limiting long term illness and there are 660 people who provide unpaid care.

These statistics do not reflect the work of the volunteer groups who provide social care support for the children and the frail elderly. Wickham Community Association, in partnership with the Churches, wants to make sure that our carers are not forgotten.

Wickham Community Centre has plenty to offer!
