November 2008

Improvements to improve access for all

Work is progressing well, the lift has been installed. A grand opening to celebrate the improvements will be arranged when the works are completed.

Come and see the changes and see what the Centre has to offer you!

The lift being installed

Wickham's first Beer Festival

The Beer Festival was a great success thanks to the hard work of Centre Manager Glenda Walklate and volunteers who helped at the event. Special thanks are due to Mike Betts and Neale Fray for their input.

The event raised £4000 for the Community Centre which is in urgent need of additional funds.

What is happening at Wickham Community Centre during November?
