Hedge between the Community Centre and Garnier Park

Work is progressing to improve and replant
the hedge between the Community Centre
and Garnier Park footpath.

Please bear with us, the improvements will
take some time.

This project is being undertaken in memory
of Sue Fitzgerald who initially worked on
the proposals.

Beer Festival - Views welcomed

Wickham Community Centre hosted a Beer
Festival on 19th and 20th September.

This was a new venture and we hope you
attended and enjoyed the weekend, any
views and feedback on the event would be
appreciated.

Improvements to disabled access

Work is progressing well, the lift has
been installed. This work has been
carried out 'in house' following the
collapse of the company we had hoped
to use.

The extra work being carried out by
staff and volunteers to complete the
project is greatly appreciated.
