WCA to get its own Web site.

Thanks to our new Trustee, Neale Fray, a web site is being built for the Association. It will be linked to the Parish Council and Church's sites to enable everyone to see what is going on in Wickham and at the Centre. The site will be called www.wickhamcommunitycentre.org.uk.

Hello and Goodbye

We will be sad to see Administrative Assistant, Jay Sprake, leaving at the end of August. Jay has been with us since last December but since then work at the Centre has outgrown what she is able to do. We will miss her smiling face and lovely chuckle but we know that she will be going with more confidence and a lot of experience under her belt. Jay wants to work more with children and has been helping at Summer Play Scheme. Thanks for what you have done for us, Jay.

Jay Sprake helping at Summer Playscheme

With the growth in business, we have had to look for extra help. We held interviews during the Summer and now welcome Jayne Bryant as Centre Administrator. Jayne will be the new sunny face at the counter and will back up Glenda, who will be taking on a bigger management role.
